

INCIDENT COMMAND SYSTEM
 LOGISTIC SECTION
 COMMUNICATIONS UNIT LEADER

When activated by the Livingston County Emergency Manager or Amateur Radio Emergency Coordinator the amateurs fall under the Incident Command System, ICS. ICS is recognized as the foundation for an effective all-risk emergency planning and response capability. ICS is the combination of facilities, equipment, personnel, procedures, and communications operating with a common organizational structure, with responsibility for the management of assigned resources to effectively accomplish stated objectives pertaining to an incident and/or event. Within ICS amateur radio reports to the communication unit leader under the Logistics Section Chief.
