

## CONTINUE THE CYCLE.... RECYCLE!

Recycling is a series of activities that includes collecting recyclable materials that would otherwise be considered waste, sorting and processing recyclables into raw materials, and manufacturing raw materials into new products. For recycling to work, everyone has to participate in each phase of the loop. From government and industry, to organizations, small businesses, and people at home, every American can make recycling a part of their daily routine. Below are some ways in which businesses, local governments, and citizens can get involved:

### WASTE REDUCTION GUIDE

Created by the Livingston County Solid Waste Program, this publication contains a plethora of information for businesses and residents looking to reduce, reuse and recycle. Click on the graphic to the left to download the entire guide or [click here for an up-to-date guide](#).

#### CURBSIDE RECYCLING

is available to some county residents. Each trash hauler has its own requirements for how materials should be prepared and what is accepted. Contact your trash hauler or [search the waste haulers in the county](#)

#### DROP OFF RECYCLING

is available to all county residents at Recycle Livingston. Drop off hours are limited and users are charged a nominal fee. Contact 517-548-4439 or visit [www.RecycleLivingston.org](http://www.RecycleLivingston.org) for information about materials accepted, location, hours and fees.

### RECYCLING IS BIG BUSINESS!

It pays to recycle at work. From office paper, cardboard and floppy disks to metal, plastic and cafeteria food waste, there are simple ways to reduce waste and save money! If you are a business interested in saving money while helping to reduce waste, follow a few simple steps and the transition will go smoothly. [Click here for 10 steps](#) to follow when deciding how to set up recycling at your place of work.

### RECYCLE FOR A CAUSE

Recycling fundraisers are a great way to raise money for your organization while raising awareness of the importance of recycling and waste reduction. Contact the Livingston County Solid Waste Program at 517-545-9609 or [solidwaste@co.livingston.mi.us](mailto:solidwaste@co.livingston.mi.us) for assistance.
